Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Cities of Cerritos, Lakewood, La Palma and Cypress for the Del Amo Boulevard Bridge Replacement and Signal Enhancements Project in fiscal year 2024.

The entity to receive funding for this project is the City of Cerritos, located at 18125 Bloomfield Avenue Cerritos, CA, 90703.

The funding would be used for to improve roadway and traffic signal conditions as well as implement new safety strategies for motorists, bicyclists, and pedestrians.

The project is an appropriate use of taxpayer funds because it implements new safety features, replace obsolete transportation infrastructure, create construction jobs, facilitate commerce through improved transportation options, and connect the multimodal transportation network within the region. This project holds regional significance as Del Amo Boulevard is a major inter-county corridor serving motorists, bicyclists, and pedestrians.

The project has a Federal nexus because the funding provided is for purposes authorized by United States Code (U.S.C.) Title 23 which provides surface transportation block grants.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michelle Steel
Member of Congress
